

Program Overview

Students will learn:

- How electricity and energy are made
- The uses of energy
- Ways energy is wasted
- How to conserve energy

Scene from:

Men In Plaid: The Kilowatt Connection

Student Workbooks and Teacher Guide

The National Theatre for Children uses professional actors who perform an action-packed adventure combined with high energy comedy to teach students educational messages through a fun experience.

Men In Plaid: The Kilowatt Connection features two professional actors who play a variety of characters in a 25-minute program. Students learn about energy efficiency with the help of characters like special agents *Moldy* and *Skuller*, *The Boss*, *Ooot Blatuu*, and *The Slug*.

Scenes from: *Men In Plaid: The Kilowatt Connection*

Performances are performed live in school for K thru 6th grade students. Each show includes grade appropriate workbooks for each student, comprehensive teacher guides and classroom posters.
